Dear Imad,

I am very sorry not to have written you sooner.
I would like to thank you very sincerely for your work in
resolving our mother's wrongful death case against South
Coast Medical Center.

I could not have asked for finer representation.
I am sure that my brother will agree with me that you showed
complete command over the facts in this complicated and
highly contested case. You and everyone at Mann and Elias
performed to the highest standards and very honorably
represented your profession.

On a more personal level, you displayed a great
understanding of the emotional nature of this case and this
made the trial experience easier to bear.

Once again, thank you for your fine efforts on our behalf.

Yours very sincerely,

Bruce Charles
